Quote for October!!

"I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn't be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage."

— **Roald Dahl**

School's 1916 Presentation on Culture Day!

East Knockbride, Dernakesh, Kill, Lisboduff and St Anne's Bailieborough National Schools took part in a celebration and presentation of their 1916 project work with Heather Brett at Cootehill and Bailieborough Libraries on Friday September 16th – National Culture Night! Storyteller, Nuala Hayes, regaled the children with her wonderful stories! Congratulations to everyone involved!

Summer Stars - a huge success!

Our summer reading initiative for children was a huge success this year in all libraries throughout the county. A total of 697 children took part in the Summer Stars program, an estimated 7000 books were read, and over 50 new children joined the library to partake in the challenge. Certificates were awarded to all participants at the end of the summer. Congratulations to all who took part. There are still some certificates to be collected!
