Cavan Library Service Summer Stars 2022

Summer Stars is the free national reading programme for children that takes place in all public libraries and online each summer. It runs from 13th June - 31st August 2022.

All children throughout the county are invited to visit their local library, join the adventure and enjoy the fun and pleasure of reading over the summer.

All children receive their own reading card to record the books they read over the Summer. There are also incentives along the way to keep the interest up. At the end of the Summer each participant will receive a certificate of achievement.

Summer Stars is a wonderful initiative to keep your child reading over the Summer, it is non-competitive and every child who reads even one book/ ebook is regarded as having completed the programme – and remember it's all completely free!

Summer Reading Recommendations

Welcome to the 18th edition of Cavan County Library's 'Summer Reads' – the ultimate guide to holiday reading!

What should I read this Summer? Let us guide you with our 40 picks for Summer 2022 (including 4 titles as gaeilge for our Gaeilgeoirs), as chosen by library staff.

As we head for a Summer of freedom with, thankfully, no restrictions, our Summer picks will transport you into a different world with cocktail in one hand and book in another. From a murder on Irelands Eye to the backroads of Texas to Sunshine Falls North Carolina, we hope our engrossing reads have the power to make the world around you vanish, and to immerse yourself in the world within the pages.

Copies of our Summer Reads 2022 will be available at your local library from mid June!

Cruinniú na nÓg

Creative Ireland funded publication **'Lost Landmarks and Thresholds' vol ii**, edited by Anthony J. Quinn was launched by County Librarian, Emma Clancy, at Bailieborough Library recently. The event was a huge success, with evocative readings by the contributors. **FREE** copies of the publication are available at your local library!
