### My Little Library Bag

Is your child starting school in September?  
Have they received their Little Library Bag?

**Dear Children,**  
We know that you are starting school in September. To celebrate this, the Minister for Children has asked us to put together a gift of a bag of books just for you. The stories in the books are about starting school, being happy in yourself, and making friends, and they're waiting for you in a very special place your local library.

You can also come and hang out and read some books in the library with your parents or guardians if you have some free time. We hope that this gift of books will lead you to a lifelong link with your library and a love of books and reading. We look forward to meeting you, and we hope you enjoy the books.

A library card and a special Little Library card wallet is also included with every bag. We hope that you will join the library and come and fill up your book bag with borrowed books whenever you can.
