Children's Book Festival 2021

The annual Children's Book Festival helps spread the enjoyment of books and reading among children and families, authors and illustrators, teachers and librarians all over Ireland.

This October we're delighted to announce that school children across Cavan will have the opportunity to meet some of their favourite authors including Sarah Webb, Michael Smith, Natasha Mac a Bháird, Jackie Burke agus Caitlín Ni Chualáin. All primary schools in the county were invited to register their interest in the author events, and places were allocated on a first come first served basis. We are delighted to say that the response was overwhelming!

Authors will be zooming into classrooms to tell the children all about their books, their writing inspiration, and to answer eager questions from their audience. Cavan Library Staff will host all the sessions and can't wait to visit the classrooms around the county!
